**DIRECTORS,  
VILLAGE OF HOPE,**

## HARARE, ZIMBABWE

P.O. Box 412 WGT, Westgate  
Harare, Zimbabwe  
gcoolegge@paoc.org

PAOC  APDC

### OUR PASSION

Because of our life experiences with our own children, God has given us both a passion for orphans. To see them given hope, love and security so they too, like us, can **dare to dream** of a vocation and a calling.

'Not by might, nor by power, but by His Spirit', we know that this vision can happen for the most vulnerable children in Zimbabwe. With love and Christ-centered discipling, the 'least of these' can become great! (Zec. 4:6 / Luke 9:48)

### OUR FOCUS

The **Village of Hope orphanage in Harare**, Zimbabwe is one of three Villages of Hope in Subsahara Africa. Presently on the outskirts of Harare, the capital city of Zimbabwe, there exists a 20 acre campus with church, preschool, Primary School and two children's homes. When fully developed, this property will contain a total 16 childrens homes. Each house will hold 8 children cared for by a house mom and house auntie. These developments, staffing and day to day operations at the Village of Hope, have been our mission in Zimbabwe.

### OUR STORY

From small town Ontario in 2005, to Subsahara Africa, God has taken our family, our love of children and our administrative experience, and set us up with a miracle! Despite the alarming AIDS statistics, despite the current economic and political difficulties in this beautiful country, we have watched as God supplied a 'way where there seemed to be none' – Registration of the Village of Hope orphanage – Registration of a Primary School we call CHAPS (Cornelius Hope Academy Primary School) – and new life into a Community Outreach Program that now feeds over 100 needy children daily.

But God's not done yet...

**Let us share hope and a miracle, with you!**

All donations are tax deductible and can be received in cheque or set up as an automatic monthly withdrawal from your bank account.

Sponsor a Children's Home	\$500/month
Block of 3 classrooms	\$35,000
Furnish a classroom	\$ 2,000
Build a playground	\$ 1,200

PAOC APDC

## HIV & AIDS is the reason why Villages of Hope exist...

- ✂ two thirds of the global population of AIDS is in SubSahara Africa.
- ✂ the life expectancy in Zimbabwe is only 34 years.
- ✂ one third of adults in Zimbabwe are stricken with HIV/AIDS, with 2,000 new infections daily.
- ✂ there are 1.5 million **orphans** in Zimbabwe. *There are places of safety for only 0.5% of this number.*

## But...

*'I know the plans I have for you', declares the Lord, 'plans to prosper you and not to harm you, plans to give you a hope and a future'.*

– Jeremiah 29:11
